BEYOND THE BORDERS

BEYOND BORDERS

The title of this programme predisposes us to the imminent trip that through interaction, the exchange of thoughts and emotions , the introduction of certain cultural elements , the tradition as well as the current situation that the youngsters of each group live nowadays will lead to the substantial knowledge of the “alternative”, the differentiated, to its approval and the formation of long lasting friendly bonds. Bearing in mind the above aim we start the realization of our trip that will take us beyond the borders

& PUPILS OF THE LYCEUM

OUR SCHOOL

Our school is a Senior High school (Lyceum) named Geniko Lyceum Paralias and it belongs to the secondary level of education. It was founded on 1988 and though it hasn't a long story in the area it has showed a lot of activities that gives it a dynamic and creative character. Our students come from middle-class families and most of them aim at entering a university school. They know English very well and some of them speak a second foreign language too. The students that take part in the programme attend the A and B class. The building of our school has a wonderful site opposite the sea of Patraikos

The students every day activities

- The students attend courses at school from 8.00am to 14.00pm In the afternoon they study , they learn foreign languages and they occupy with athletic and musical activities

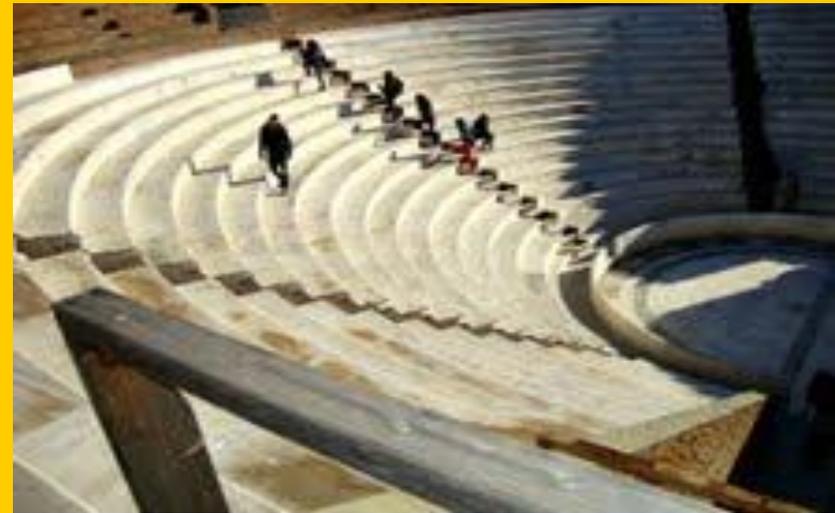

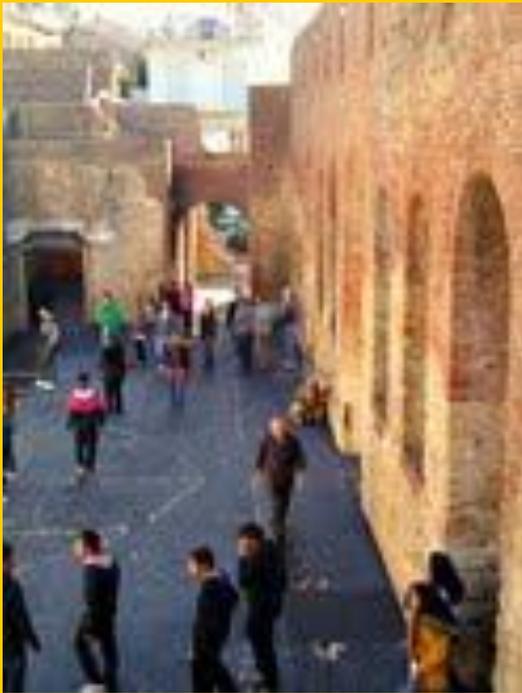

OUR TOWN

Paralia is located in the district area of Patras. Patras is one of the biggest cities of Greece which is famous for its port known as the “Gate to the West”. Several residents live in Patras since the ancient times. The city reached its peak during the Roman times. It is in a strategic post due to the fact that it is located in the centre of the well known triangle Delphi- Olympia.
